Date: June 10, 2014

Expiration Date: June 10, 2015

**TO:** Workforce Development System Partners

**FROM:** Amy L. Smith, Director

**SUBJECT:** PY14 Self-Employment Training Demand Targets

### **Purpose:**

To establish Program Year 2014 Self-Employment Training (SET) targets for the WIA Adult and Dislocated Worker (DW) programs in alignment with [Self-Employment Training \(SET\) Policy 3705](#).

### **Action Required:**

WDCs are directed to use the SET targets contained in this WIN for the PY 2014 WIA planning forms.

### **Content:**

WIA Policy 3705 requires ESD to establish a plan for expending WIA funds on self-employment assistance training at a rate that is commensurate with either consumer demand or the rate of self-employment within the WDA. Please note that this only a planning requirement based on the anticipated demand. This plan should raise awareness of self-employment training opportunities, consistent with informed customer choice (20 CFR 663.500).

Employment System Administration & Policy (ESAP) has determined that SET targets will be based on WIA Adult and DW applicants who express an interest in self-employment training during the preceding calendar year. ESAP used the total number of Adult and Dislocated worker applicants who listed self-employment as a goal (numerator) among the total number of WIA Adult and Dislocated Worker applicants (denominator) as reported through SKIES during calendar year 2013. This is the same methodology used for PY 2013. Each WDA's target is listed in the following table:

WDA	WIA Adult & DW Applicants Listing Self- Employment as a Goal	Total WIA Adult & DW Applicants	Target
1– Olympic	16	415	3.9%
2 – Pacific Mountain	16	457	3.5%
3 – Northwest	7	376	1.9%
4 – Snohomish	44	683	6.4%
5 – Seattle-King	27	1236	2.2%
6 – Tacoma-Pierce	13	502	2.6%
7 – Southwest	3	1002	0.3%
8 – North Central	6	738	0.8%
9 – South Central	23	780	2.9%
10 – Eastern	4	189	2.1%
11 – Benton-Franklin	1	251	0.4%
12 – Spokane	31	625	5.0%
